~ International Exchange at Home ~

The Kagoshima International Exchange Foundation will hold a home visit program in order to let foreign students within the city experience lifestyle in local homes and have close relationship.

This home visit program works by allowing foreign visitors to experience the customs and cultures of Japanese life and deepen the mutual understanding between the host family and visitor.

✂It is only a day visit, with no overnight stays.

■**Date** whenever you want in **September 2014** (✂need adjusting with Host family)

■**Eligible persons**

Foreigners who have visas and health insurance subscribers

■**Fee** Free (✂but you have to pay transport fare)

■**Host Families who welcome you**

Families living in Kagoshima City, wanting to interact with foreigners, and teaching them about life in Kagoshima.

■**Details**

This home visit program is a free intercultural exchange through the experience of Japanese life and culture at a home of host family.

Please make friends with Kagoshima families!

●**Enquiries/Applications**
